Professional, experienced and constantly in demand for our vibrant performances, Simply Swing has only one desire - to make your event a success.

If a laid-back mellow mood is the order of the day then that's fine with us. But if you want the 'wow-factor' to keep things upbeat and exciting, well that suits us too.

Simply Swing's repertoire features firm favourites from the Great American Songbook and beyond. A genre of music that is timeless and everlasting: cool and current.

You will hear songs made popular by Frank Sinatra and the Rat Pack, Ella Fitzgerald, Nat 'King' Cole, Fred Astaire, Bobby Darin, Tom Jones and Nina Simone which blend surprisingly well with the more contemporary sounds of Jamie Cullum, Norah Jones and Michael Bublé. Dance or listen at your pleasure.
